

# LUXEMBOURG PHILHARMONIA

is organising a masterclass for Oboe with the well-known

## Maestro Luca VIGNALI

Born in Modena, and educated from Conservatorio Martini in Bologna. After his Diploma, he studied in Berlin as a student of the famous Lothar Koch (Principal Oboe of the Berliner Philharmoniker) and during these years, had opportunities to play under Karajan, Maazel and Ozawa among others. Vignali has been first oboe in the Orchestra del Teatro dell'Opera in Rome, but beside that he has played as soloist with all major orchestras, in Italy, Asia, and Europe. Over the years, Vignali has held numerous international Masterclasses, last year in Malmö (Schweden), where the new first Oboist is a pupil of Vignali. It is certainly an honour and pleasure for Luxembourg Philharmonia to welcome such an artistic capacity, and we are happy that Mo. Vignali accepted to perform the Mozart concerto at the final concert, a piece he has performed many times with outstanding orchestras.

The masterclass will take place from 10th to 15th September at the Syrkus Concerthall in Roodt-Syr (Grand-Duchy of Luxembourg) for a maximum of 10 participants. Solopieces and techniques are practised as well as the preparation of the own reeds.

A public concert will be held on Sunday, 15th September, where some of the participants perform with piano accompagnement and furthermore Luxembourg Philharmonia symphonic orchestra, under the direction of Maestro **Martin ELMQUIST**, present the concerto for Oboe from Mozart with Maestro **Luca VIGNALI**.

The course will be in English. Participants from other countries can ask the organiser for the different kinds of accomodation. The fee for participation is **250 €** (without accomodation)

Registration can be done by mail on ***lux.phil@pt.lu*** until april 6th.
